

Product reference number: 0000FS0122D

SPEEDY MOP HEAD 40X13 CM,COTTON-POLYESTER-MICROFIBER, WITH FLAPS TWO HOLES

Applications

Suggested for wet mopping in medium/high dirty floors (internal cleaning floors of hotels, houses, offices, hospitals, etc) Used with relative Speedy frame 40 cm

Features

- * Innovative wet mopping system thanks to the combination of three different textile yarns: microfibre, cotton and polyester.
- * Thanks to its structure, microfibre multiplies the amount of yarns, which come in contact with the floor. Consequently the capacity to pick up dirt is much more higher than traditional systems.
- * Cotton improves the mop absorbancy and increases the cleaning surface
- * Polyester makes the cloths slide on the floor.
- * No latex
- * Made in Italy with solar energy
