

**Product reference number: 0000PN02016**

ULTRA MICROFIBER MOP 30 CM WITH BACKING FOR VELCRO SYSTEM, FOR GLASS CLEANING AND SMOOTH SURFACES

### Applications

To be used with the mop holder with grip art.no. 5233U or the holder with velcro system and lock system art.no. 5388U for the window cleaning

### Features

- \* Together with an alcohol-based chemical product, it cleans brightly with one wipe and without drying operations
- \* Compared to the traditional systems and thanks to the wide surface of the frame, this system covers a bigger area in shorter time with excellent results
- \* High performance thanks to the excellent cleaning action of the ultra-microfiber mop
- \* No latex
